

Pfizer UK Undergraduate Programme 2019/2020

Pfizer Consulting & Execution (PCE), Undergraduate

Strategy & Commercial Operations
Pfizer Consulting & Execution | Europe

Department Overview

We are the European team of a global department of **management consultants** committed to helping Pfizer's leaders address their most critical issues.

Typically, PCE **supports Pfizer colleagues** across the business, to drive increased revenue, reduce costs, mitigate risk and build capabilities through a **variety of projects**.

Being internal enables us to quickly partner with our clients within the business, to understand and **solve business challenges**, **execute strategy**, and **implement high-value initiatives** with added Pfizer know-how.

What can I achieve and what will I be responsible for whilst completing a placement at Pfizer?

Working with PCE will provide you with **valuable insight** into many areas of the Pharmaceutical Industry, enable you to work **across different business units** within Pfizer and give you an opportunity to **develop consulting skills** while working on a range of projects throughout the year.

As a member of the PCE Europe team, your major duties and responsibilities will include:

- Working with PCE colleagues to partner with clients and drive key projects:
 - Developing and pursuing project plans
 - Conducting primary and secondary research (interviews, surveys, focus groups and desk research)
 - Analyzing data
 - Developing recommendations and solutions for business critical issues
- Actively participating in team or client meetings (eg. facilitating workshops)
- Developing and maintaining tools, systems or frameworks to support PCE projects
- Providing ad-hoc project support to PCE colleagues both regionally and globally

What other opportunities and benefits does Pfizer offer?

While working with the PCE team, previous undergraduates have

- Visited and worked at different Pfizer sites (including research, manufacturing and packaging sites)
- Received Lean Six Sigma training and secured Yellow Belt qualifications
- Attended off-site training and team-building events
- Attended key Pfizer conferences
- Joined the Pfizer Event planning committee
- Been actively involved in volunteering (incl. attending local school careers fairs, science days and conducting consulting projects with local businesses)

When can I start?

Placements will start on 2nd September 2019 and will run for 12 months.
