

## **Pfizer UK Undergraduate Programme 2019/2020**

### **Junior Brand Manager (Regional Marketing IDM) Undergraduate position**

Pfizer Innovative Health – Inflammation and Immunology

Regional Marketing Team (I&I group)

#### **DEPARTMENT OVERVIEW**

The Regional Marketing Team is responsible for the development of regional brand strategies and operational activities across the IDM (International Developed Markets) Region (Europe, Australia, New Zealand, Japan and Korea). The team partner with country cross-functional and global colleagues to ensure that the strategic direction and activities drive brand performance and superior customer experience. Market and customer insights from European countries are used to drive global and regional brand development, lifecycle management and business performance.

The Immunology and Inflammation franchise currently includes Enbrel & Xeljanz and several products in development

The team is primarily based in Walton Oaks, Surrey, UK, and this role will be based here. This is a highly virtual role, with some travel across the region as required.

#### **ROLE PURPOSE**

The role will be assigned to one or more of Pfizer's prescription brands, within the immunology and inflammation disease franchise. The successful candidate will work closely with Brand Managers and Director on defined promotional activities and projects.

#### **MAJOR DUTIES AND RESPONSIBILITIES**

- Support Brand Managers in the development and implementation of European brand strategies and activities, including project management support for regional customer-facing activities
- Cross-functional working with the regional team, country colleagues, global HQ, healthcare professionals and external agencies
- Develop, review and ensure compliant materials for each activity, gaining approval from relevant managers
- Participate in and contribute to regular business meetings
- Ensure strong country communication to gain insights and alignment for brand strategy
- Support team to maximize new marketing channels, including digital and e-platforms

### What other opportunities and benefits do Pfizer offer?

You will have the opportunity to work in a cross-functional setting, interacting with both internal and external stakeholders. You will also have the opportunity to travel across the Region and attend key trainings in line with development plan and major events such as congresses, internal meetings and Pfizer standalone medical education events.

You will receive a competitive salary along with benefits including 25.5 days annual leave.

### When can I start?

Placements will start on 2<sup>nd</sup> September 2019 and will run for 12 months.
