

Pfizer UK Undergraduate Programme 2019/2020

Retail Marketing Team Undergraduate

Established Medicines

Marketing Team

Department Overview

Established Medicines (EM) is a dynamic and highly-diverse business with unique opportunities for growth across our portfolio. The portfolio is comprised of a focused range of primary care products sold primarily to commercial customers. We have a truly global footprint, with significant areas of growth both in the emerging and developed markets.

Our strategic intent is to make a meaningful contribution to improving global health through:

- The quality and “fit” of our portfolio to the needs of our customers;
- Innovative customer engagement and service;
- The diversity, talent, entrepreneurial spirit and integrity of our colleagues

What can I achieve and what will I be responsible for whilst completing a placement at Pfizer?

Pfizer provides you with the opportunity to work with experts in the pharmaceutical industry and has a wealth of opportunities across a variety of departments. Through working in a busy marketing environment you can look forward to developing critical business skills and being a valued team player. These skills will include internal and external stakeholder management, multi-tasking through working on a variety of projects, commercial and business acumen and the opportunity for leadership by owning specific projects.

The retail team offers a unique opportunity to gain an understanding and learnings in the world of community pharmacy. We have hugely diverse portfolio and a wide ranging customer base. Our team offers the chance to get involved in all areas of the marketing mix but with a heavy weighting to commercial thinking and Customer Value Proposition development and implementation.

Other responsibilities will include:

- *Involvement in team based projects with the Retail Marketing & Account Management Team*
- *Assisting the marketing team*
- *Assisting with material development and approval*
- *Project Implementation*

What other opportunities and benefits do Pfizer offer?

Cross functional projects
Customer Field Visits
Internal training courses

You will receive a competitive salary along with benefits including 25.5 days annual leave.

When can I start?

Placements will start on 2nd September 2019 and will run for 12 months.
